

LOSS PROTECTION COVERAGE RIDER

The Bottom Line Equipment, LLC (BLE) LPC Program offers BLE's Customers (You) an opportunity to protect itself in the event of an uncontrollable and unfortunate event. By electing to purchase LPC, You are afforded limited liability for the Equipment that you have rented from BLE. The LPC is intended to ease a Customer's concerns when handling the Equipment it rents from BLE by reducing the events which cause it liability.

Your Protection

In consideration for your purchase of this LPC, BLE shall waive any and all damages occasioned by way of an event covered under the LPC Terms, as long as You comply with the obligations set forth in the Order and this Rider. Damages which are covered under the LPC are those generally referred to as being caused by fire, theft, and vandalism, among other things.

The Customer shall remain fully responsible and liable for any and all damages not covered by the terms of the LPC. LPC does not provide coverage for your negligence, abuse, misuse, operator error, improper maintenance, and overspray of concrete, paint or other substance causing damage to the Equipment or for damage to tires or glass. Further, LPC does not cover Equipment with a value of more than \$250,000.00 without proper notice. Be certain to inform BLE if You rent Equipment which exceeds these limits.

Your Costs

The cost of the LPC to You is 14% of the total rental and is payable in advance and not subject to refund or early cancellation. A portion of this cost covers BLE's administrative duties in managing the LPC. Should You choose LPC, your limited liability will be the deductible of \$2,500.00 per occurrence, which is payable immediately upon any claim. Customer shall also remain liable for any costs associated with transit or shipping of the Equipment, not covered by the LPC, as well as any and all attorneys fees and costs incidental to making a claim under the LPC.

Read the Terms & Conditions of your Account and Order to better understand potential costs.

Your Obligations

You shall notify BLE, in writing, immediately of any damage sustained to the leased Equipment. You are presumed to have knowledge of the damages within 48 hours of the damage or loss, therefore you should take steps to ensure that Equipment is monitored regularly.

Upon discovery of a loss, You are obligated to provide BLE with a sworn proof of loss no later than 80 days from the date of the incident. BLE shall provide this to the insurer.

You shall assume any and every obligation that BLE has under the LPC Terms, and each of BLE's obligations flow to You. You shall be produce, do or perform anything necessary to preserve BLE's claims under the LPC.

You shall remain liable for any and all direct and consequential damages or loss which occur by reason of your failure to timely provide notice. Customer shall remain liable for all rent on the leased Equipment during the period of repair to the Equipment so long as the damage occurred while the Equipment was in the possession of Customer or while under lease to the Customer.

Loss Protection Coverage Insurance is underwritten by EPG Insurance, Inc., 800 Ridge Lake Blvd., Suite 301, Memphis, TN 38120. Coverage is determined by the terms, conditions, and exclusions of Policy EPGLDW1.07 and is subject to change with notice. This document does not supplement or replace the Policy.
